CLASSIC BARBER CHAIR

YA2033

Give a vintage look to your barber shop with this high quality Yanaki barber chair.

This extra heavy duty barber chair is the heaviest chair of the Yanaki series (189 lbs.). With its durable steel frame, it features a wide seat, descending armrest, aluminum die cast two-fold footrest, adjustable headrest, and a towel holder.

Yanaki chairs are built for years of great service to come. Don't be fooled by inferior quality imitations.

- Extra heavy duty hydraulic pedal pump
- Lock-in place, 360 degree rotation mechanism
- Adjustable and removable headrest (5" H)
- Convenient towel holder
- Aluminum die cast two-fold footrest
- Heavy duty steel frame
- Smooth 45 degree reclining mechanism
- Footrest rises when chair is reclined
- Built-in recline handle lever on side panel
- 1 year warranty on hydraulic pump
